

REMARKS

This amendment responds to the Examiner's well presented November 10, 2009 Office action.

Referring to paragraph 2.B. of said Office Action, the ABSTRACT has been rewritten to take into account the comments of the Examiner and, further, is now in narrative form so as to comply with MPEP§608.01C.

Referring to paragraph 3.C. of said Office Action the four replacement sheets for the Drawing are herewith submitted, each sheet being labeled "Replacement Sheet".

Referring to paragraph 4.E. of said Office Action, claim 23 is herewith submitted with the status identifier kindly suggested by the Examiner. All claims including revised claim 23 are herewith submitted for the Examiner's convenience.

We have noted the statement:

"... if any of boxes 1 to 4 on a NOTICE OF NON-COMPLIANT AMENDMENT (37 CFR 1.121) are checked (as box 3 was in the 10 December 2008 Notice of Non-Compliant Amendment (37 CFR 1.121)), then the correction required is only the corrected

section of the non-compliant amendment in compliance with 37 CFR 1.121.”

in the paragraph beginning “Continuation of 3(c) Other” on page 3 of the November 10, 2009 Office Action. We have construed this statement to mean that, in this instant amendment, only those matters referred to in the three paragraphs on page 3 of said November 10, 2009 Office Action require the submission of fresh sheets containing revised terminology. In other words, we have assumed that the

- Title Amendments, and the
- Specification Amendments

submitted in the 8 September, 2009 amendment document not need be resubmitted in the instant amendment document.

We do however request that the Examiner take note of the ‘SPELLING CORRECTION OF APPLICANT’S NAME” paper filed in said 8 September, 2009 amendment document and do what she can to correct this typographical error which is quite important to the applicant.

We respectfully submit that, all outstanding objections having been attended to, the application is in allowable condition and formal action to that effect is requested. In the event however that we have overlooked or misapprehended any matter, the Examiner is requested to telephone us at the

below listed number so that the matter can be promptly rectified. If the undersigned does not answer, please leave a voicemail message and the matter will be promptly dealt with.

Respectfully submitted,
